Rituals surrounding Death and Grieving

- Research different cultural rituals associated with the death and grieving process. For example, you may discuss a wake, a New Orleans funeral and/or different religious rituals (Hinduism, Buddhism, Christianity, Judaism, and Islam). Be sure to include practices of various cultures and your understanding of these cultures.
  - In your response be sure to present an unbiased perspective in comparing and contrasting these cultural groups.
  - How are these rituals similar and different from your own culture?
  - How have you observed cultural differences in your experience surrounding death and grieving?
  - How has this essay broadened your cultural awareness?
- 
- The essay should be 1 to 2 pages and double spaced
  - Include three references (should include in-text citations and a reference page)
  - Please submit as a word document or a pdf
  - Written in APA format
