

Requirements for Week 12

Required Readings

- Read Chapter 14
- Any Notes that may be provided.

Discussion 1

Examine the different theories regarding personality in middle age. (Hint this covers pages 354-358.) What theory do you most favor and what theory do you least favor and why? How have you seen the theories in adults that you have come in contact with?

Discussion 2

How do relationships change in midlife with one's spouse and family? What life changes can affect these relationships? If you had a family that was struggling with grandparent/parenting responsibility and style, how would you address this with both parties?
