

Requirements for Week 11

Required Readings

- Read Chapters 13 and 14
- Any Notes Provided

Discussion 1

How does temperament, attachment style, and attraction relate to adult relationships. Explain the difference seen in male and female friendships. How does this difference in relating to one another affect male-female relationships? Discuss Sternberg's Triangle of Love. If you were offering relationship advice to a couple (marital, homosexual, co-habituating) based on the theories covered, what would recommend to improve the relationship (remember to answer from a professional standpoint rather than personal beliefs).

Discussion 2

Many see middle age as a time of physical and cognitive decline. Discuss some of the signs of physical and cognitive decline in this age as well as the maintenance and growth in these areas. How and why does changes in career occur at this age? And why does religion become more important and how is it beneficial to this age group?

Quiz for Chapter 13
